Greetings!

The 2011 Conference, will be at Mission San Miguel, Arcangel on February 26-27, 2011.

Take a look at Tony Crosby's "Recent Conservation Work at Mission San Miguel" posted on our newly restored [CMSA website](#). You will get a taste of what is waiting for you at "[the Mission along the Highway.](#)"

Former CMSA President Bill Fairbanks and Cuesta College professor Dennis Judd are serving as co chairs of the local arrangement's committee. They were part of the team responsible for the 2004 Conference at Mission San Luis Obispo. Working with Franciscan Guardian Fr. Larry Gosselin at Mission San Miguel, we are able to offer you the alternative of newly restored retreat quarters and the brand new La Quinta luxury conference hotel in nearby Paso Robles for housing. You can depend on some great food in the tradition of California's Central Coast. Our annual banquet will be a Santa Maria Barbeque, the 20th century's adaptation of the traditions of the Mission and Ranchero eras.

Mission San Miguel's curator, master musician John Warren, will be presenting a live version of the mission music that Craig Russell informed us about at our 2010 conference in Mission San Luis Rey. The acoustics at San Miguel have always been exceptional for performances by John's New World Baroque Orchestra. The historic music, coupled with the Esteban Munras' paintings and newly stabilized murals in the San Miguel church, produces a sensory experience that defies description.

The theme of our [2011 Conference at San Miguel, Arcangel](#), will appropriately be Restauración.

We look forward to seeing you along the highway!

Siempre adelante,

Dan Krieger, President California Mission Studies Association

◆ **New Publications of Interest**

► Soon to be released by [Pentacle Press](#) is a beautifully illustrated time line of the life of Frey Junipero Serra founder of the California Mission System. Folded it measures 8" x 5" and could be a wonderful quick reference source for teachers and students alike. The suggested retail price is \$6.95.

► Now available on the CMSA Website Store - [The Proceedings of the 27th Annual California Mission Studies Conference at San Luis Rey February 2010](#)

► September 2010 marks the bicentennial of the Grito de Dolores, the first blow struck in the struggle for Mexican Independence. It is also the centenary of the Mexican Revolution. [Exploring Colonial Mexico](#) acknowledges this convergence by revisiting their page on the Hacienda de Burras, a neglected and almost forgotten monument to a key event and document in the Independence saga.

If you would like CMSA to consider announcing an event or new publications which may be of interest to the readers of the Correo, please contact Louis Sanna with details.
