## California Missions Foundation

September 2012

### Latest News from California Missions Foundation

Dear Friends,

We have some wonderful news that we are really excited to share with you! At our meeting on Friday, September 28, the Board of Directors of the California Missions Foundation approved grants to 12 California missions and one associated mission site totaling \$111,650 for much needed projects ranging from art conservation to security systems. Please read on to see how the missions are using the grants! We truly thank you for your support, as these missions would not have these grants if it weren't from individuals and foundations.

Additionally, it's holiday time, and there's a plethora of fun, exciting things to do with the whole family this holiday season. From basket weaving at the local mission, to Christmas concerts, to a cruise celebrating Junipero Serra, we've got it all lined up for you!

## Serra 300th Website Launched!

2013 marks the 300th anniversary of the birth of Father Junípero Serra, founder of the California missions. The California Missions Foundation has created a special website, [Serra300.org](http://Serra300.org), to post the many celebratory events that will occur during this tricentennial year. Some are already underway, such as the [California Mission Ride](#). Take a look when you have a moment and find out more about Father Serra and the upcoming celebrations of his life and work.

### **About California Missions Foundation**

Nothing defines California's heritage as significantly or emotionally as do the 21 missions that were founded along the coast from San Diego to Sonoma. Their beauty, stature, and character underlie the formation of California. All 21 missions are California Historical Landmarks; many have also been designated National Historic Landmarks. The missions are among the most popular tourist destinations in the state, attracting millions of visitors each year.

Founded in 1998, the California Missions Foundation was established with the objective of preserving and protecting the missions. The Foundation is the only statewide organization dedicated to the long-term

preservation and restoration needs of all California missions and their associated historic and cultural resources for public benefit.
